

Matching Gift Donations to The Friends of the Chester County Library

Many employers have **Matching Gift Programs** in which the employer makes a gift in an amount equal to or less than the employee's gift.

Please ask your Employee Benefit or Human Resources office if your employer matches gifts.

Corporations are generous donors and matching programs are common. Some employers will match contributions from retirees and/or spouses. Inquire!

If your company does match gifts, please let us know and we would be happy to help complete the required paperwork. The Friends of the Chester County Library is a 501(c)(3) federally designated non-profit organization, a condition required by all matching programs.

Let us know of any questions at 610-280-2685 or at cclfriends@ccls.org.
