

LIVE UNITED FOR CHESTER COUNTY

United Way of Chester County & Chester County Food Bank

Community Peanut Butter & Jelly Drive

Tired of attending all those “rubber chicken lunches”? With Summer fast approaching, **United Way of Chester County is giving you a break from the usual campaign closing luncheon and is instead partnering with Chester County Food Bank** to help fill their shelves with a high demand food that is high in protein, vitamins and minerals and is easy for a child to make a sandwich. ***So come out on June 3rd and have a PB&J for United Way!***

United Way
of Chester County

STEP 1

Pull your team together and coordinate a drive at your church, school, workplace or organization (scouts, rotary, sports team, health club, etc.). Gather friends, family or neighbors!

STEP 2

Start collecting! Donate any brand or type of peanut butter or jelly. We recognize that some people have peanut allergies, so feel free to also collect almond butter, sunflower butter or other alternative butters. It's your choice!

STEP 3

On **Friday, June 3rd, from 11:30 - 1:30**, bring your donations to the Chester County Food Bank at 650 Pennsylvania Drive in Eagleview Corporate Center for your official “weigh in” and see what company or corporate group in the **PB&J CHAMP!**

While waiting for final results, enjoy gourmet PB&Js and drinks served by United Way staff. Tour the Food Bank facility while learning more about the Food Bank and United Way of Chester County programs.

(If you or a designee are unable to bring your donations that day, please contact Anne at the Food Bank and in certain circumstances they may be able to pick it up from you)

What are you waiting for?
It's Peanut Butter Jelly Time!
